EVO *Evan Vollick-Offer.* *Designer.*

Experience

Sun + Snow /*Ski Tech + Sales Floor*
Sep. 2013 - May 2017 / Plymouth, MI

I greeted and help customers upon entry, operated cash register, maintained shop cleanliness and organization, serviced equipment as a certified ski tech and boot fitter.

University of Michigan /*Graphic Design*
Feb. 2019 - June 2019 / Ann Arbor, MI

I worked in the Division of Public Safety and Security Strategic Communication Team creating collateral for web and print to help enhance quicker visual communication along campus.

Flutter + Wow /*Design + Fabrication*
Sep. 2016 - Dec 2019 / Ann Arbor, MI

In charge of building and fabricating structures, displays and signs for museum projects, also helped designing projects. Used Shopbot CNC, and wood-shop tools. Sketched designs and rendered in Illustrator.
